Sunday, 3rd March 2013

Venue:

Heartlands Academy,
10 Great Francis Street,
Nechells,
Birmingham B7 4QR

Badminton Futures

Unipart in Association with Forza

present a series of Tournaments aimed at School level Players. These Tournaments are aimed at players who are yet to represent their County and have limited experience of competitive play.

Why take part?

Badminton Futures offers a fun environment that will give children the opportunity to experience competitive play without the worry of meeting County / England level players.

These tournaments will allow players to represent their school and for the winners of the competition to go forward to a National Final in June 2013.
