YOUR TERMLY ROUND-UP FOR ALL THINGS WMPC

## WELCOME BACK!

The first half-term of 2018 has ended and it has been one jam-packed with tournaments and great performances from all at the WMPC. Just a polite reminder for you all that if you do have a great result please don't hesitate to contact me on [PXC486@student.bham.ac.uk](mailto:PXC486@student.bham.ac.uk) as I would hate to miss a

## CHAUDHARI CHAMPION OF ENGLAND!

Asmita Chaudhari produced a stunning display at the U19 National Championships in Milton Keynes. Herself and partner, William Jones (Surrey) won the mixed title defeating European Champions Hope Warner and Rory Easton in the final in three tough sets after seeing of second seeds Lado/Van Leeuwen in the semi-final. This is an excellent result for Asmita who is still two years young for this title and is looking to defend this over the upcoming two seasons! A huge congratulations from everyone at the WMPC Asmita, a really fantastic result! Moving forwards now, Asmita will look to win the U17 Nationals in a few months and will be playing both Dutch and German Junior! Notable mentions too to Victoria Liang who, in fact, lost to Asmita in the QF of the mixed doubles after playing extremely well in the previous round.

## SANA SIBAL SIZZLES!

A huge well done and congratulations are in order for Sana Sibal (Developing squad) for her recent performances in the U13 Bronze Circuit. She has picked up FIVE(!) gold medals-including the triple crown at the Herefordshire tournament. In Warwickshire, she even defeated the WMPC's Danish dynamite, Lucca Modin in the semi-finals, which Sana said was her toughest match. Sana has been working extremely hard all season and her hard-work is now paying off. She will tackle the tougher Golds and Silver tournaments now. A big well done too to Keerti Naik, who won the doubles at the Warwickshire U13 Bronze too! On the senior circuit, Pernille Woods took the ladies doubles title at the Gloucestershire Senior Bronze - a great performance!

## HENRY OVER ANOTHER HURDLE!

Emerging player, Kiara Henry, took the Surrey U17 Gold by storm taking both the level doubles (with Victoria Liang) and mixed doubles title (with Alex Green). Only dropping two sets all weekend Kiara really impressed; especially the England selectors who have picked her to represent England at the U17 6 Nations. A very well deserved selection for Kiara! Well done from us all! Khushi Naik also had a storming result here too; making the final of the Gold Star Singles event!
